

DEPARTMENT OF COMMERCE AND HRM

23-06-2018

Report on the programme "MEET AN ENTREPRENEUR" held on 23rd June 2018.

The department of commerce and HRM organised a program for motivating the students for entrepreneurship as a career after their academic life.

The Department invited one of its alumni Md Mashud Zaheer Khan for this purpose. Md Mashud has been engaging himself (after doing his B.Com with HRM specialization) in an uncommon venture which is showing a very good trend of growth in a very short period from its incorporation.

Md Mashud along with his brother Toshif collect used tyres of four wheeler vehicle and make various furniture and decorative pieces from those used materials. The products show a good demand in the market and the return of his business is very satisfactory.

Apart from finding his own livelihood Mashud has offered employment for a good number of youths. In addition to that he has shown the society a good way of recycling used products. This recycling helps in protecting the environment to a greater extent.

Nearly 100 students and the teachers of the college joined the programme where the Entrepreneur demonstrated various products of their enterprise. In their demonstration the Entrepreneur explained in detail about the process from the collection of materials, the process of converting the apparently worthless materials into beautiful art pieces.

The audience were highly impressed with the whole process and raised various queries. The Entrepreneur answered all the queries off the audience and assured to help if anyone shows interest in setting up enterprise in that line. They also narrated their multicolored experience since the beginning of their venture.

Dr B Bhagawati HOD Commerce & HRM welcome the Entrepreneur at the beginning of the programme advised the students to pick up entrepreneurial spirit from the successful experience of Md Mashud and his brother.
