The Institution has effective measures for financial support to teaching faculty for career development programs. The college provides financial aids to faculty members for attending seminars/ faculty development programs by reimbursing their registration fees paid for seminars and FDPs. This has resulted in motivating the faculties to participate more in such programs for their academic growth. All the financial reimbursement made to faculty members has been duly audited. For instance, for the financial year 2022-2023, the reimbursement amount has been duly met and audited under the head **co-curricular activities** in the external audit report. Following are the audit certificate along with requisite application of reimbursement and certificate of participation by faculty members:
